St. Andrew Sampler

As part of our Confirmation program, students participate in the St. Andrew Sampler each year. We believe that all members of our faith community have important roles to play, and that middle school students are in the process of discerning what those roles might be. Each year, students are asked to participate in at least **10 activities, with no more than 3 from each of the Core Values listed below**. Another idea? Talk with Pastor Mark, Pat Christiansen, or one of the Guides to see how it fits with the St. Andrew Sampler.
