## Wednesday Evening Prayer

Midweek Evening Prayer Services will continue to be offered through the summer months via Zoom. Meditations will be drawn from *Devotional Classics*. This **Wednesday, June 9**, we will focus on C.S. Lewis and "Giving All to Christ." Look for links to this worship service at mid-day on Wednesdays in Allison's email.

## Lydia Circle

You are invited to join Lydia Circle for Bible study and fellowship **Tuesday, June 8**, from 1:00-3:00 pm in the St. Andrew Room, where we will again be able to serve coffee. If you've been fully vaccinated you don't need to wear a mask. Please bring a copy/picture of your vaccine card so that the office can record it.

The Bible study is taken from the June issue of *Gather* magazine and is the first of a three-part study entitled "Just L.I.F.E. (Liberation Is for Everyone!)." The first session is "Just Wisdom" and is taken from Proverbs 8. We will meet Woman Wisdom and explore what wisdom means in ways we haven't done before. You are welcome to come even if you haven't read the lesson. For questions, contact Mary Brown at 503-439-3917.

## Celebrating Juneteenth & the End of Slavery

### What's special about June 19<sup>th</sup>?

June 19<sup>th</sup>, also known as Juneteenth, is the oldest nationally celebrated commemoration of the ending of slavery in the United States. On June 19<sup>th</sup>, 1865, Major General Gordon Granger landed at Galveston, Texas with news that the war had ended and that enslaved people were now free. For black people trying to establish a new status, annual celebrations of Juneteenth were times for reassuring one another, for praying, and for gathering remaining family members. Juneteenth became an official state holiday in Texas in 1980 and in Oregon this year.

This Juneteenth at 10:00 am, the Oregon Remembrance Project (<https://www.oregonremembrance.com/>) will be installing a historical marker in Coos Bay remembering the story of the only documented lynching in Oregon, that of Alonzo Tucker in 1902. The St. Andrew Reckoning with Racism cohort invites you to participate in person or via Zoom at 10:00 am on June 19<sup>th</sup>. [Details to follow.] We hope to find reconciliation and communal healing through a sober reflection on history.

## Preparing for Our Annual Meeting

Ministry Forum: Sunday, June 6, 10:00 am  
Ministry Support Forum: Sunday, June 13, 10:00 am

Annual Meeting of the Congregation  
Tuesday, June 22, 2021, 6:30 pm

On the Sundays prior to the Annual Meeting, people are invited to gather via Zoom between Sunday worship services to learn more and share their questions/opinions about St. Andrew's ministry focus for the coming year and the proposed budget for 2021/2022. Voting to approve these items, as well as the nominations for new Council members and next year's Nominating Committee, is conducted during the Annual Meeting itself, which will also be held remotely this year via Zoom.

## A Call for Worship Volunteers

As we prepare to return to in-person worship on July 4, perhaps you've been thinking about your role in the services. Interested in reading the scriptures? Offering the prayers of the people? Serving communion, or lighting the candles?

These are all roles handled by volunteers from the St. Andrew community, and you are invited to participate! No experience is necessary, and you will receive all the training you need. We work with your schedule so you can attend your preferred service and still worship with your family or friends.

Please contact Minister of Music & Media Allison Katsufakis at [allisonk@standrewlutheran.com](mailto:allisonk@standrewlutheran.com) if you have questions or would like to volunteer.

## Earth Camp Needs "Shadows"

The Earth Camp team needs a couple more people to volunteer as "Shadows" for camp week, **July 12-16**. The camp will consist of five groups of seven kids, with each group accompanied by two youth "Guides." The Shadow's role is to be an adult presence with one of the five groups throughout the week. It's the easiest volunteer role in Earth Camp! If you'd like to volunteer or have more questions about this opportunity, please contact the camp's program director, Kyler Vogt, at [kvogt@standrewlutheran.com](mailto:kvogt@standrewlutheran.com).

## Members Vote to Become a Sanctuary Congregation

In a Special Congregational Meeting on Sunday, May 23, 84 members and two others gathered via Zoom to consider the proposal put forth by the Sanctuary Team that St. Andrew follow the lead of the Oregon Synod and ELCA (Evangelical Lutheran Church in America) to declare itself a Sanctuary Congregation. After members of the team reviewed the proposal and entertained questions, members were asked to vote by show of hands. The result was overwhelming approval, with 74 members voting in favor, one against, and three abstentions.

## Filling the Food Barrel

Despite being able to begin moving out of the COVID pandemic, so many people in our country remain in crisis. You can help meet one of their most basic needs by contributing packaged and canned products for St. Matthew's food bank. Drop off your donations at the food barrel in our Narthex.

## Tribute to Trom

If you missed last Sunday's party celebrating Jennifer Trom's ten years and one month as a paid employee of St. Andrew, don't worry. Our tech team recorded the whole thing and you can view it at your leisure at

<https://youtu.be/Y17Xvaspfvs>

Enjoy a decade of memories!

## Grunewald Guild Classes

The Grunewald Guild, a faith community fostering art and creativity along the banks of the Wenatchee River in Washington, has announced its lineup of summer classes for July, August, and September 2021. Whether you'd like to explore journal making, songwriting, word collage with calligraphy, ceramics, writing, jewelry making, weaving, photography, or other arts, the Guild is likely to offer something to nourish your soul and renew your spirit. One class title, "Hand Embroidery: Sinking into Slowness," reveals the character of the Guild, which invites makers to slow their pace and consider how process itself can help people remain grounded and attentive. ## Many, Many Thanks!

Dear People of St. Andrew,

My heart is full! The love and care and grace you've shown to me as Parish Manager over the years was exactly what I needed to thrive in the position. And then, in last Sunday's "Tribute to Trom," your kind words and gifts – including the amazing gift of time with my family at Holden Village as guests, not volunteers! – was a wonderful way to bring my time on staff to a close.

Many, many thanks.

Peace,  
Jennifer Trom

## A Native Rose

Nootka roses are blooming in St. Andrew's woods. These erect wild or species roses are named after an island off Vancouver, Canada. They only grow in areas with a minimum of 270 frost-free days, produce hips that are large and round, and grow in an upright habit, reaching heights of three-six feet.

Both Native Americans and early settlers relied on Nootka rose hips and shoots to meet their nutritional needs during the winter when food was scarce. They created eye washes from the plant and crushed the leaves to treat bee stings, too, as well as drying them to use as an air freshener. Chewing up Nootka rose leaves also serves to freshen the breath.

## Spreading the Warmth of Christ's Love

Thank you to everyone in your congregation for your faithful support of the Portland Rescue Mission. During COVID, the practical support from local churches has been a real encouragement to the people we serve and to our staff.

Pam Farr with some of the 37 full-size and six baby quilts St. Andrew gifted to the Portland Rescue Mission during the COVID-19 pandemic.

In February, I visited St. Andrew and received many beautiful quilts made by the ladies of your congregation. Recently Pam Farr hosted me again for a short visit, including a walk to your lovely Sanctuary of the Firs, and presented us with much-needed towels.

Please reach out if there's any way the Portland Rescue Mission can support and serve your church. Thanks again!

## Mason Bee Update

Brian Cheney reports that St. Andrew's mason bees have completed their pollinating work for the season and have filled at least six dozen straws with egg-filled cocoons. Those eggs will hatch next spring and begin pollinating early bloomers such as fruit trees in 2022.

Meanwhile, Cheney has placed two boxes of leafcutter bees near the garden shed that will hatch over the next month. The slightly smaller leafcutters take the summer shift, pollinating those plants – including many in our gardens – that bloom long after those first flowers of spring.

### A Note about Lucille Clifton

The poet who wrote "why some people be mad at me sometimes" (see page 3) was one of the 20<sup>th</sup> century's most prominent African-American poets. She once remarked that "writing is a way of continuing to hope," and that "perhaps for me it is a way of remembering I am not alone."
