## Night of Stories!

I am so excited to announce a brand new, community-focused event for younger adults, **Night of Stories!** This monthly event is a cooperative effort between three organizations: St Andrew, The Repentant Church (a recent start-up through the United Methodist Church), and Portland-based storytelling non-profit Ghost Light PDX. The first iteration of Night of Stories will be hosted on **Sunday, March 24, 6:00 - 8:00 pm**, at **Grinds and Vines** coffee shop in Portland. The theme for the night is "The Thousand Word Picture Show." Plans include a photo booth, caption contest, featured storytellers, live music, and the chance for you to share stories of your own in a safe, fun, and casual environment. No preparation is needed to attend; just come as you are!

**Grinds and Vines**  
3520 Southwest Yamhill  
Street,  
Portland, OR 97214

To understand the vision for this event, check out our opening creed:

Maybe. Just maybe. There's nothing more human than to tell a story.

From that night, thousands of years ago,  
when cavemen sat around that very first campfire,  
looking up at the stars in wonder,  
telling each other jokes...

To the stories we tell in quiet reverence,  
when we gather together to grieve a loved one lost.  
To be human is to tell stories.

Even when we sleep, our brain is up all night telling us  
stories in the form of dreams.

Friends, our desire is to be a beautiful and weird experiment.  
To share our stories with each other,  
whether they are tales of wonder or woe,  
the sacred or profane,  
soul stirring or just plain weird.

But most of all:

We share stories with each other, so that maybe, just maybe,  
we might come to see ourselves,  
see each other,  
and see this weary little world of ours,  
as cherished works of art.

In February we hosted a small test run of the event with about 16 people, all under 35, and it was a huge hit! We are so excited to open it up for this official launch. To learn more about Night of Stories, find us on Instagram @NightOfStoriesPDX. You can also email me at [kvogt@standrewlutheran.com](mailto:kvogt@standrewlutheran.com) or contact [NightOfStoriesPDX@gmail.com](mailto:NightOfStoriesPDX@gmail.com). Don't forget to follow us, and make sure to invite your friends! We'll see you there!

## SoulCollage® During Lent

Lent is a time of contemplation and reflection and SoulCollage® is the perfect medium to do some of that work. Sister India, SoulCollage® facilitator, will be hosting a gathering at St. Andrew on **Saturday, March 9**, 10:00 am-1:00 pm, to explore the themes of repentance, God's grace, prayer, and fasting.

SoulCollage® is an intuitive collage process meant for self-discovery. You make your deck of cards for your personal use. This method lets you discover your unique inner and outer guides and challengers. It lets you answer your life questions. You don't need to be an artist. This is for people who are open-minded and willing to explore. Sister India will guide you through the process and with her words and encouragement you will discover the images that represent you. SoulCollage® was created by Seena B. Frost as a method to "develop creativity and intuition, encourage[s] self-discovery, and provide[s] personal guidance." For more information visit [soulcollage.com](http://soulcollage.com).

Below Peggy Thompson shares her experience with SoulCollage®:

### "What is it like to do SoulCollage®?"

Easy peasy, with no prep. You just enjoy the quiet of people choosing images to glue on a card and let it open your mind. SoulCollage® is a refreshing time out, an opportunity to glimpse a reflection of yourself without words. Words come when India gently guides you through looking for a message the card might have for you. I enjoyed

SoulCollage® the first time and I am looking forward to trying again. All you need to do is show up."

If you have questions, contact Sister India at [india@standrewlutheran.com](mailto:india@standrewlutheran.com) or 503-860-5377.

## The Labyrinth on Holy Saturday

On **Holy Saturday, March 30**, from 10:00 am-1:00 pm, St. Andrew will again host Westminster Presbyterian's labyrinth. We will gather to reflect on the time before our Lord rose on Easter Sunday. Calming music will facilitate your meditation. Please bring writing materials for journaling if that would be useful for reflection. Questions? Please contact Sister India.

## Help Us Write Postcards/Letters to Potential Voters

2024 is another Presidential election year and this year's vote is expected to be a crucial one. Given the expected candidate choices, many people are planning not to vote at all. Liz Hardy and Jan Smith have contacted several organizations that encourage first-time voters or those who typically do not vote to do so this year.

St. Andrew has participated in campaigns like this effort in the past. The 2024 effort includes primary elections and the general election on November 5. With primary elections scheduled during the first half of the year, the postcard and letter-writing campaigns will take place between now and November.

Already, thousands of postcards have been sent to North Carolina voters whose primary election is on March 5. These cards were from the Environmental Voter Project, and the message sent was, "I know you are a good voter. Please make sure your friends and family are good voters too!" Mind you, these cards were sent to people who are concerned about the environment, but do not typically vote. Whether or not a person votes is public record, but how they vote is not known.

Jan and Liz are looking for a team of people to send encouraging messages to potential voters. No specific postcard or letter-writing dates have been scheduled, but they will be soon. Many of you wrote postcards to Georgia voters in 2020, and to Arizona, Massachusetts, Pennsylvania, and Georgia in 2022. This will be a similar effort. There will be several state campaigns again and Federal elections by state as well. We will have training sessions again and volunteers will be able to take groups of 20 cards or letters to fill out and send by specific dates. Voter turnout organizations will provide a list of voters to contact and a suggested script to use.

If you would like to write to voters, please contact Liz or Jan so we can create our team.

## Lenten Food Train Chugging Along

The engine is revved up and already hauling boxcars of food and hygiene products destined for the St. Matthew Food Bank. Continuing through Lent, we hope to fill multiple boxes to feed the hungry and help the needy in our community.

The train is in the Narthex and as we add boxcars it will wind its way around the church. Please bring non-perishable food items (such as canned corn, spaghetti and spaghetti sauce, sugar, rice, and beans) as well as hygiene products (shampoo, toothbrushes, toothpaste, and deodorant) to fill the boxcars.

If you prefer to donate money, you may write a check with Lenten Food Drive on the memo line or go [online](#) and select Lenten Food Drive from the drop-down menu to make your gift electronically. Every \$250 donated will add a new boxcar to the train.

With inflation continuing to impact people's ability to purchase daily necessities, this is a critical time for those in need around us. Your donations will make a big difference. *Get on board and let's see where this train will take us!*

## St. Matthew Lutheran Food Pantry

In 2023, the St. Matthew Lutheran Food Pantry provided food and personal hygiene products for more than 12,000 individuals, including more than 4,000 children. This is an increase of about 20% from 2022 and about 60% from 2021. Food insecurity is an increasing problem in our community.

Such work is not possible without the volunteers and donations from St. Andrew Lutheran and other partner congregations that support the St. Matthew Lutheran Food Pantry. In 2023, volunteers recorded more than 10,000 hours to support the purchase and distribution of food items. The pantry spent \$115,000 to purchase food and hygiene products.

At Christmas, the pantry provided gifts or gift cards to 585 children, which is the largest number to date. These children received a large gift and two smaller gifts. Families were also provided with a game or puzzle, books, and some stocking stuffers.

## Andy's Room Podcast Features:

### Pastor Terry Moe

This week's episode of the Andy's Room Podcast features Pastor Terry Moe! We all know Pastor Terry from the multiple stints he has had as a substitute at St. Andrew and as the leader of the Horizon Team, but I first learned about him through the world of community organizing. In this episode, we discuss what elements of community organizing go into creating a vibrant, dynamic, and active church congregation. We also learn a bit about Terry's organizing history within the ELCA, what he sees happening at St. Andrew at this time, and why there is so much hope for us to continue growing and changing as a congregation.

COP21 in 2016 brought parties together to agree on a universal goal: keeping global warming below 2°C.
- 8: **False.** There are no national standards regarding environmental education in the US. Environmental education is treated on a state-by-state basis.
- 9: **B.** Environmental education does not advocate a particular viewpoint. Rather, it welcomes all kinds of perspectives to solve environmental issues. However, environmental education should always be factual based on science.
- 10: **A.** The National Environmental Education Act of 1990 required the US Environmental Protection Agency (EPA) to be a leader in promoting environmental literacy. The EPA later established the Office of Environmental Education.

## St. Patrick's Day and the Shamrock

In a couple of weeks, many people around the world will be donning shamrock socks, drinking green beer, and marching in parades to honor St. Patrick and, by extension, the Irish. Do you know why the shamrock became a meaningful symbol on St. Patrick's Day?

Legend has it that, way back in the 5<sup>th</sup> century, when St. Patrick was working to introduce Christianity to the Irish, he used the shamrock to explain the Holy Trinity – with the three leaves representing the Father, Son, and the Holy Spirit. Alternatively, some Christians say the three heart-shaped leaves stand for faith, hope, and love.

The shamrock grows wild in many parts of the world and is traditionally worn on St. Patrick's Day. Wearing the shamrock can be traced back to the 1700s. Over time it has come to mean different things to different people.

But, even before the 5<sup>th</sup> century, the shamrock held meaning for the Druids, who believed the plant could ward off evil spirits and danger. A three-leaf shamrock would enable them to see evil spirits and escape in time, while a four-leaf clover was said to ward off bad luck and offer magical protection.

## Worship Volunteer Sign-up

Worship is not possible without the many volunteers who serve throughout the year. Who are these volunteers? You are! They are anyone who brings Altar Flowers or anyone who serves as Acolytes, Altar Guild, Assisting Ministers, Cantors, Communion Assistants, Greeters, Lectors, Nursery Volunteers, Audio Tech, Video Tech, Ushers, Worship Coordinators and Zoom Hosts.

## New Directory!

Coming by the end of 2024 will be a new church directory. To prep for this much-needed book:

- We will email connect cards to everyone; please fill these out as quickly as you can and get them back to the office.
- We will be signing everyone up for photo sessions. Pictures will be scheduled after Mother's Day.
- We will need volunteers willing to sign people up for these appointments on Sunday before and after worship.

Be on the lookout for more information to come as we get closer to launching this program.

## Wrestling with the Truth of Colonization

Wrestling with the Truth of Colonization is an 8-session training designed for labor, community, and faith organizations that are a part of MACG. Last year, 10 members of the St. Andrew community participated in this training. You are invited to join this year's sessions in reflecting and learning around the truth of colonization and its ongoing impact in the region where we live. Wrestling with the Truth of Colonization is an initiative created by a global team of indigenous leaders offered locally by the Industrial Area Foundation Northwest in conjunction with MACG.

Register for April training: <http://tinyurl.com/2jfb38rx>

You must be able to attend all sessions as each session builds on the learnings of the previous sessions.

Introduction: All participants must attend one of the following two introductory briefings in order to participate in the Wrestling Training.

**Monday, April 1**, 12:00pm - 12:30 pm or

**Tuesday, April 2**, 6:00 pm - 6:30 pm

First five sessions are on Zoom, Tuesday and Thursday evenings, **April 4–April 18**, from 6:00 pm - 8:00 pm.

The last three sessions will be spaced out over three months and designed around your individual personal wrestling.

This is free to members of MACG institutions. Registration deadline is **Monday, April 1**.

Questions? Contact any member of the St. Andrew Connections Team (formerly MACG Core Team): Gretchen Bancroft, Larry Bliesner, Pat Christiansen, Lynn Santelmann, and Jan Smith.

## Group Leaders Needed

If you attended Wrestling with the Truth of Colonization in the past, think about joining this year as a small group leader. A 2-hour training session will teach you the facilitation skills needed to be a group leader.

While being a reflection group leader is a powerful opportunity for developing one's leadership, you will also be offered a \$250 stipend after completing training. If interested, please register for the last training session:

**Tuesday, March 5**, 1:00 pm – 3:00 pm at

## Youth Gathering Update

Our group of teens and chaperones is officially registered for the 2024 ELCA Youth Gathering in New Orleans! We have eight youth attending, six boys and two girls, currently in 8th-12th grade. We will have three adults attending as well, with Clay and Debi Gustafson joining me as trip leaders. We have a good start already on raising funds for the trip, but we will need the support of the congregation to make it possible! Keep an eye out over the next few weeks for fundraising opportunities.

Dear St. Andrew Family,

Thank you for the cards, meals, and prayers following my knee replacement surgery in January. The surgery went very well and I have been right on target for healing and physical therapy. What a blessing! I look forward to being back in the sanctuary for worship but in the meantime am so grateful for the gift of online worship.

*Sincerely,  
Beth Johnson*
