Your goal is to earn at least 300 points by the Middle of May. This is the Silver Level.

When you earn 400 points by May 23rd, the Gold Level, you will be eligible for a trip to Oaks Park.

There are rewards available at different levels of participation:

For every 50 points, receive a small piece of candy during class.

For every 100 points, receive a full-sized candy bar or bag of candy.
